Royal Athletic Mission Statement

“Glorifying God by pursuing excellence in Christ-centered academics”

The basis for our mission statement is found in the following verses:

Colossians 3:23: “Whatever you do, work at it with all your heart, as working for the Lord, not for men.”

John 3:16: “For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life.”

We seek to fulfill our mission by the following objectives:

1. Lead students and their families to faith in Jesus Christ and daily living.
2. Challenge every believer to obey God’s Word for growth in Godly wisdom and Christ-like character.
3. Empower believers by the Holy Spirit to change the world by using their God-given gifts and talents.

Twelve Royal Virtues of the Student Athlete and their Parents

Athletics serve as an integral piece to the total educational program at Victor Valley Christian School. All activities, curricular and extra-curricular, in the classroom and on the playing field, must be congruent with our school's stated purpose and goals established for the spiritual, intellectual, physical and social development of our student athletes. It is within this context that the following "Royal Virtues" are established.

As a student athlete, I understand that it is my responsibility to:

1. Place my spiritual development at the highest priority.
2. Work as a student ahead of my role as an athlete.
3. Respect my teammates, opponents, officials, and coaches.
4. Exhibit fair play, sportsmanship and appropriate conduct in all situations.
5. Maintain a high level of safety awareness.
6. Refrain from the use of profanity, vulgarity, and all other offensive language and gestures.
7. Adhere to the established rules and standards of the game being played.
8. Refrain from the use of alcohol, tobacco, illegal and non-prescriptive drugs, anabolic steroids or any substance used to increase physical development or performance that is not approved by the United States Food and Drug Administration, Surgeon General, or American Medical Association.
9. Know and follow all state, section, league and school athletic rules/regulations as they pertain to eligibility and participation. The CIF mandate is a 2.0 GPA.
10. Attend all practices and games accordingly. **Practices are not optional and absences will require the athlete to perform extra physical conditioning or team associated duties of the coach's choosing.** Excessive absences from practices and/or games may be cause for removal from the team and suspended from participating in the following season of sport.
11. Win with character, lose with dignity.
12. Any student who quits a sport or is dismissed by a head coach after signing up and participating in any number of practices or games may be suspended from our athletic program for one calendar year from the date of their removal from the roster. No refunds will be issued. However, in the case of extenuating circumstances, the suspension may be pardoned. This decision will be made by the Athletic Director, in accordance with the head coach and school Principal.

Royals Athletic Commitment Letter

The athletic department at Victor Valley Christian School welcomes you! Please take the time to review the key expectations of the program provided. Should there be any questions please contact the Athletic Director.

1. Athletic Commitment: It is vital that athletes and parents recognize the significance and value of commitment concerning athletic participation. Athletes are required to participate in all team functions including fundraisers, practices, games, and award ceremonies. **Parents are required to volunteer a minimum of five hours of service per sport: assisting the spirit club and athletic department in a variety of functions. If a parent is unable to help in any way possible a fee of \$50 will be charged to help fulfill these requirements.** The Athletic Director along with the coaches will be directly responsible for tracking, and coordinating volunteers. Training by the coaches will be provided if needed to fulfill duties. Furthermore, sports packets and physicals are due prior to athletic involvement.

2. Attendance at practice and games: During the season of sport, each athlete is required to punctually attend all practices and games. If a student comes to school, he/she is required to attend practice unless excused by the head coach or athletic director. If an athlete is injured, he/she is still a vital part of the team and is required to attend all practices and games until cleared to return to participation. Every athlete must be in school for at least half the day/four periods. Any failure to do so will result in the athlete being unable to actively participate in any sporting events.

3. Athletic Department policy on unexcused absences from practices and games: Should an athlete miss practice due to an unexcused absence, he/she will not be allowed to start in the next contest. Multiple violations will result in either a suspension, or another penalty of equal value, of the athlete for a suitable period of time as agreed upon by the head coach and the Athletic Director. Should an athlete miss an athletic contest due to an unexcused absence, he/she will miss the following contest, or serve another penalty of equal value, as agreed upon by the coach and Athletic Director. Multiple violations may result in termination from the team. Athletes are expected to attend all practices and or games scheduled during holiday breaks unless otherwise excused by the Head Coach and Athletic Director. Please be aware that missing scheduled practices and contest affects our entire team. The Athletic Department needs the cooperation of all parents and guardians in seeing to it that their student athlete is fulfilling their obligation to their team and school.

4. Athletic Department policy concerning facilities and equipment: **All student athletes must assist in the set-up and clean-up of their particular athletic function. Athletes may not leave until permission has been given by the coach or responsible administrator.** Furthermore, each athlete will be financially responsible for all school equipment "borrowed" in-season. Any uniform or other piece of equipment damaged or not returned upon conclusion of the athletic season will be billed twice the value and have it assessed to the athlete's school bill. The student athlete will also be financially responsible for any undue damage to the school's facility and or property either home or away. Undue damage is defined as any damage to the school's facility or property that is not

directly related to the athletic contest or practice. Athletes are to be both respectful and responsible at all times.

5. Athletic Department policy concerning academics: All student athletes must maintain a minimum grade point average (GPA) of 2.0 or better to participate in any athletic contest or practice. **In the case of ineligibility, the student athlete will attend study hall instead of practices until they are of eligible status. Per the standards set by CIFSS, grade checks occur a maximum of once every week.**

6. Athletic Department policy on personal appearance: Each student athlete must be in compliance with the Student Dress Code of Victor Valley Christian School. This includes game days on which the student may dress in accordance with the sport in which they participate. For example football players are allowed to wear their game jersey and school approved pants, and cheerleaders are allowed to wear their full uniform on game days.

7. Athletic Department policy on sports fees: Each student athlete will be charged a sport's fee for each season of sport in which they participate. No refunds will be issued if a student is removed, or quits any given team. **Also if an athlete's parents or guardian chooses to excuse themselves from volunteering during the season, an additional \$50 fee will be added on to sports fee. This will be directly deposited back into the sports budget.**

8. Athletic Department policy on lettering: Each varsity student athlete who is deemed by their coaching staff and Athletic Director to have made a significant contribution to their team will receive a varsity letter.

9. Athletic Department policy on hazing: Victor Valley Christian School has a zero tolerance policy on hazing. The California Education Code 32050-3205 is defines hazing in the following way; "any method of initiating or reinitiating into a student organization, or any pastime or amusement engaged in with respect to such a organization, which causes or is likely to cause, bodily danger, bodily harm, or personal degradation or disgrace resulting in physical or mental harm." Hazing is illegal in the state of California and according to school policy, disciplinary action, suspension or expulsion will result from hazing for any student involved directly or indirectly.

By signing below, the student athlete as well as the parent or guardian is fully committing to the above policies. Any breach of this agreement my result in the student athlete's suspension or removal from the team.
