

Victor Valley Christian School

"Home of the Royals"

MISSION STATEMENT: Victor Valley Christian School, in partnership with home and church, exists to equip students spiritually, academically, physically and socially to become exemplary Christians who impact the world for Jesus Christ.

Dear Parents and Guardians,

We are excited about the upcoming school year, and the advances our school is making in several areas. For example, in an effort to simplify the registration process we are introducing a new online enrollment program. Simply log into your Parent Renweb Portal, and follow the steps located on the left hand side of the home page. We are anticipating that this innovative approach will be a seamless transition; however, if you should have any problems with the new system, please feel free to contact us.

Here are several of the benefits to transitioning to online enrollment:

- Online documents will include the existing data that is already found in Renweb. Parents will only need to type in information that is missing or has changed since last year.
- The new program eliminates the need for parents to download, print, fill out, and deliver documents to us.
- An automated feedback system informs parents of any missing documents. This will ensure that your registration is completed accurately.
- FACTS is now integrated into Ren Web, so that parents can now complete the registration process, and make payments all in one place.
